- **CYC Christmas Brunch, 11:00 A.M., December 10, 2011, at the clubhouse.**

From the Commodore by Shane Wallace

Hello Cypremort Yacht Club! Christmas ALREADY???? Yep, that is right; it's that time to be jolly and spread cheer about!

Last month, the club held its Semi-annual General Membership meeting, at which committee reports were made and an election was held to fill 4 slots on the board of directors. Those elected to 2 year terms were Edward Duhe, John Conner, Bill Butts and Karl Venable.

A special presentation was also made by Bill Butts regarding our insurance coverage and premium costs. The bottom line was that the club spends over \$12,000 a year for flood, fire, wind & hail and liability policies with differing amounts of coverage for each. Flood had the least amount of coverage at about \$129,000, with fire having

the most coverage at about \$350,000. It was also reported that the replacement cost on the clubhouse structure would be in the \$125 per square foot range, meaning about \$250,000 to replace our structure. A motion was introduced to keep insurance coverages at their present level and not increase coverages rather than have a dues increase to cover additional cost. An amendment was then added to have the membership notified and their input solicited via the newsletter. Both the motion and amendment passed by vote of all members present. The board is open to readdressing this issue if there is sufficient interest. It would be most helpful if any interested member would send comments to me at either email address listed below within 15 days. Other than that, I really don't have much to

report at this time with activities at the club slowing down during these cold winter months. I suspect that members are getting down to their boats and getting some projects knocked out for next years sailing season.

I encourage you all to PLEASE come out to the club and enjoy our facilities. Bring as many friends as you want. Just remember that you are more than welcome to use our facilities for parties and other such functions with the understanding of the rules. Please feel free to email me with comments or suggestions, as well as any ideas that would benefit the club and its membership. swallace@petrologistics.com or skipper_1_1999@yahoo.com

May all of you and your families enjoy a Merry Christmas and a Happy, Healthy, Safe and Prosperous New Year.

Racing News by Mark Milam

We had seven boats turn out for the CYC Fall Regatta held on November 12, 2011. Racing conditions were ideal and we were able to run three windward-leeward races one after the other. Of the three races held, two of the races doubled for points in the fall series.

Regatta trophies were presented to the following: 1st to Mark Milam; 2nd to Barry Innes; and 3rd to Butch Nolan. Thanks to all who participated in making this an exciting regatta.

Trophies for the winners of the Spring and Fall Series will be presented at the Christmas brunch on December 10, 2011.

I want to thank all those who participated in the Spring and Fall Series, and also the regatta. I hope to see more boats out in the Spring of 2012.

Should anyone have questions about PHRF ratings, certificates, or racing in general, you can contact me by email at mtmilam@bellsouth.net and cell #337-654-3474.

House and Grounds by Dan Snow

In the past three weeks, we were able to make necessary repairs to the deck railing, entry door, and to the west bulkhead. We still have some work left to be done on the west bulkhead but I will have to wait until volunteer help is available. We also have some general maintenance work to be done and will try to address those as weather permits.

I would again like to thank the membership for their cooperation with the

drinks in the refrigerator.

You can address any house and ground or maintenance issues to me at daniel.snow@lusfiber.net.
