Greetings Cypremort Yacht Club members! This is a great time of year for sailing as the temperatures are getting cooler and the winds are favorable. There are several events coming up in October so come on out and enjoy your club.

The Daily Iberian Cup races are under way with two races scheduled for Oct. 10th and 24th. Come out and participate in the races on your own boat or crew with another member. The races in September were well attended and were lots of fun for all. Our races are laid back and a great opportunity to hone your sailing skills.

October 3rd is a full day with the Sun Splash Sunfish Regatta and the annual Luau. Be sure to let us know if you will be attending so we can get an accurate head count for the events. More information

is available later in this newsletter.

A reminder that our semi-annual General Membership meeting will be held on November 14th with our November social to follow immediately after the meeting. There will be committee reports and elections for four board member positions to serve for a two year term.

One other reminder is that if you haven't paid your maintenance fee for 2015, please do so. As was explained earlier this year, there are repairs that are needed at the club that we just can not pay for with our normal dues income. The Board approved a maintenance assessment for two years on all members, in lieu of raising monthly dues, to help pay for these needed repairs. Thank you to those that have already

sent in their assessment as this income is critical to pay for the repairs to our bayside bulkhead.

CYC is always welcoming new members. If you know of anyone that would be interested in joining, please introduce them to the club by bringing them to a race or social. It's a great way to expose them to what the club has to offer.

All members are welcome to use the facilities for parties or other events provided you comply with club policy regarding private functions posted on our web site located at : www.cypremort.com Also, check us out on facebook at: www.facebook.com/CypremortYachtClub.

October Social by Jeremy Cooper

This month's social will be our annual Luau to be held on Saturday, October 3, 2015, at 6:00 P.M. following the Sunfish Regatta.

Menu will consist of pulled pork, rice dressing, salad and French bread for the

cost of \$10.00 per person. Please let us know if you plan to attend by responding to this email.

We hope to see you there!

The 2015 Fall Regatta held at CYC is complete. PHRF fleet results: 1st place went to Kristian Earles (LAYC), 2nd place to Matt Guenther (CYC), and 3rd place to Butch Leger (CYC). The Sunfish class results are as follows: 1st place to Bill Whitehead (CYC), 2nd to Rory Nolan (CYC), and 3rd to Bill Fontenot. Thanks again to Doug Dalme for serving as Race Committee aboard his trawler Relenti. Also, thanks again to all who participated and to all who helped to make the regatta a success.

The 2015 Daily Iberian Cup race #2 was held on September 26, with a total of 7 boats competing. 1st place to Butch Nolan, 2nd place to Edward Duhe, 3rd place to Brent Boulet.

The Daily Iberian Cup race #s 3 & 4 (race #s 3 & 4 of Fall Series) will be held on October 10, 2015 and October 24, 2015, respectively. Skipper's meeting will be held at 10:00 a.m. with an 11:00 a.m. start. Length of race will be determined by

race committee on race day based on conditions.

I would like to encourage you all to experience the fun of racing. Besides, there is no better or quicker way to learn how to sail and perfect your sailing skills than through racing. We are all here to help anyone interested in learning the sport of sailing through racing.

So, please come out and enjoy a fun day racing at the point.

Sun Splash Regatta by Butch Nolan

The Sun Splash Regatta will be held on October 3, 2015, at CYC. All members are encouraged to come out and participate. Sunfish will be used for the event, which is open to juniors, as well as adults. If we have more sailors than sunfish, we will race round robin and lowest score wins. Registration will

begin at 9:00 a.m. and continue until 10:00 a.m., at which time a skippers meeting will be held to discuss the course. Lunch will be served on the race course at no charge to competitors. There is no charge for entering and prizes will be awarded to the top three places. The event will be

open to outside clubs and we hope to have a good showing from our own club. Anyone interested in sailing, please contact me at #337-278-4352 in order to secure a sunfish for the event.

We look forward to seeing you there!

House and Grounds by Abby Lester

We are pleased to report that painting of the upper deck is nearly complete. Many thanks to all who participated in helping during the "Work Day" events. Also, you may have noticed that the "Out of Order" sign has been removed from the men's toilet on the lower deck. What you will not see is that the sewer treatment system has been serviced and is in proper working order. These projects, undertaken during the summer, affect general maintenance of the building. Naturally, there's more to do

and, we may schedule a "Work Day" event this fall to address erosion problems on the south side of our building.

Your continued cooperation with the drinks in the refrigerator is appreciated.

Don't forget to remind your guests to pay for the drinks that they remove from the refrigerator. We do this as a convenience to club members and their guests and do it strictly on the honor system and will continue to do so only so long as it is not abused.

Please turn off lights, air conditioners, fans, etc., and lock all doors when you leave the premises.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me to me at wazzarunner@yahoo.com
