From the Commodore by Butch Nolan

Greetings to all CYC members! The month of October will be a busy one for the club. Our annual Sunfish Regatta was held on Oct 7th followed by our annual CYC "Luau". Please make plans to attend one or both. Our fall race series has begun and two races are also scheduled for this month. Trout fishing is starting to turn on in the bay as the cooler months of the year approach. If you are looking to store your boar on the club grounds, please contact one of your board members of the club as there are several dry slips still available for use.

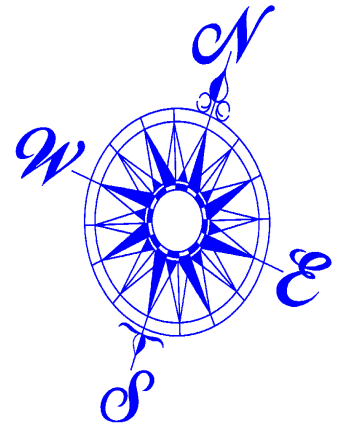

CYC is always welcoming new members. If you know of anyone that would be interested in joining, please introduce them to the club by bringing them to a race or social. It's a great way to expose them

to what the club has to offer.

All members are welcome to use the facilities for parties or other events provided you comply with club policy regarding private functions posted on our web site located at : www.cypremort.com Also, check us out on facebook at : www.facebook.com/CypremortYachtClub.

A reminder that our semi-annual General Membership meeting will be held on November 11th with our November social to follow immediately after the meeting. There will be committee reports and elections for board member positions to serve for a two year term.

As always, I look forward to seeing you at the club.

BOAT FOR SALE:

Racing News by Bill Whitehead

The first two races in the fall Daily Iberian Cup series have been completed. Race 1 on September 9 featured five competitors, moderate winds at the start and a three-way photo finish. While there was a "tie" in absolute finish time, when the handicapping formula that adjusts for differences among the sailboats was applied, Butch & Chris Leger were declared the winner, with Mac & Brent Boulet second, and John & Julie Conner third. Dan Snow and Al Lilley finished in fourth and fifth place, respectively.

The Race Committee didn't need a computer to determine the winner of the Daily Iberian Cup Race 2 on September 23. John & Julie Conner finished first in absolute time (16 minutes) and adjusted time (10) minutes. Mac and Brent Boutlet fin-

ished second and Ray Schwartz finished third.

Club members took out two Sunfish sailboats on September 23 as part of our "experiment" to provide more sailing access and opportunity on scheduled race days. The weather was perfect for the Sunfish (sunny and 6-8 mph wind). The boats were out for about two hours and it was a really nice day to sail.

A Round-the-Bay Race (#5, PHRF Class) is also scheduled for Saturday, October 7. The Skipper's meeting will be held at 10:00 am.

Daily Iberian Cup series races are scheduled for October 14 (#3) and October 28 (#4).

We will again have Sunfish sailboats available for recreational use by CYC mem-

bers on October 14, weather permitting (**we don't have a "chase boat", so wind must be below 12 mph). Members reserving a CYC Sunfish should have participated in the Sunfish Sailing Camp or have small sailboat experience.

If you are interested in reserving a Sunfish on October 14, you must contact me in advance so I can get everything ready. I'll begin moving boats to the loading ramp area after the Daily Iberian race Skipper's meeting at 10:00 am and the Sunfish are due back within an hour of the completion of the Daily Iberian race (time varies but typically mid-afternoon.

House and Grounds by Abby Lester

A work day has been scheduled for October 21st, to replace hurricane straps on the upper deck joists, painting a top coat on the south wall of the upper deck, replace corner boards at the southeast of the club house, secure stairs on north side (most used), and small electrical repairs. Your assistance would be greatly appreciated as we have lots to do! Please be aware that a small water moccasin was seen at the foot of the south side stair case.

Thanks to all for your continued cooperation with the drinks in the refrigerator.

Please don't leave food items in the refrigerator. Our refrigerator is only for temporary storing of food and drink

items. When you are finished cooking, etc., please take all of your items with you.

Don't forget to remind your guests to pay for the drinks that they remove from the refrigerator. We do this as a convenience to club members and their guests and do it strictly on the honor system and will continue to do so only so long as it is not abused.

Please turn off lights, air conditioners, fans, etc., and lock all doors when you leave.
