Hello Cypremort Yacht Club! I hope all of you were spared by Isaac! Fortunately, CYC was on the west side of the storm and was spared the brunt of the storm. I want to send a special thank you to Bill Butts, Al Rees and Butch Leger for their fantastic efforts in prepping the clubhouse, grounds and removing the club's fleet of sunfish prior to the storm. I also want to thank all those who moved their dry slipped boats out in advance of the storm.

CYC is now on Facebook. Please go to www.facebook.com/CypremortYachtClub and "like" to join the page. Keep

up with club activities and let your facebook friends know about your fantastic club! Many thanks to Edward Duhe for setting the club up on Facebook.

The Daily Iberian Cup fall racing series will get underway with the first race of the series on September 8. Please come out and participate in the races. There will also be a social on the same day, so make plans to spend the day at your yacht club.

Please, I encourage you all to get out and enjoy your club. Bring friends and introduce them to our facilities. We continue to strive to increase our membership,

so if you know of anyone that would be interested in joining, please bring them to a race or social as your guest so they can see for themselves all CYC has to offer.

We are planning a work day at the end of October to address a few maintenance and repair issues. Once we have a work plan developed and the date selected, a notice will be sent out. We are always looking to improve the club, so if you have any ideas about improvements to the facilities or if you have an event that you would like to have at the club, please feel free to contact me at jroddy@cypremort.com.

September Social by Shane Wallace

LET'S GET OUT AND ENJOY THE SOCIAL!!! This month's social to be held on Saturday, September 8, 2012, starting at 6:00 P.M., will be a "bring your own meat" cookout. You bring the meat and the club will provide the grill, baked potato with fixings, salad, bread and wine. Meals will be \$5.00 per person and I really encourage everyone to RSVP by responding to this e-mail no later than this Thursday, September 6. If your plans change at the last minute and you did not RSVP, don't let that stop you from coming out for a great time because our chefs al-

ways plan for extra people when preparing their meals so there is always food to be had.

I REALLY NEED MORE COOKS!!!! PLEASE, IF YOU GUYS WANT TO HAVE SOME REALLY NICE MEALS FOR THE SOCIALS, I'LL NEED SOME VOLUNTEER COOKS.

All you need to do is double up or triple up on your favorite recipes. It's just that easy!!! I am also looking for people who would like to

decorate the clubhouse for theme nights. Just email me at the following address:

swal-
lace@petrologistics.com.

Membership News by John Conner

Since June, we have admitted the following new members to the club: Joe Spell, William Lindsey, Murphy "Mike" Foster, Steve Lafleur, Michael Lamperez, Hank Cowen, Jr., Dalton Babineaux, Benjamin Landry, Gary Hoffpauir, Leon Saucier and Ed Domingues, bringing our current membership in good standing to 124.

Please welcome these new members to our club and help make them feel at home.

If anyone has a change in their email address, please send it to me to update so you can receive newsletters and notices.

You can address any questions you may have about your membership, membership card, access key, etc., by contacting me at the following email address: john.conner@lusfiber.net or phone me at 337-981-4959.

Racing News by Mark Milam

We had good participation during the spring series of races and look forward to having even better participation in the upcoming fall series, which will begin this month with races being held on the 2nd and 4th Saturday of September and October and the early part of November. The races this month will be held on Saturday, September 8 and 22, 2012. Skipper's meeting will be held at 10:00 am with an

11:00 am race start. The length of the race will be determined by conditions at the start of the race.

We would like to encourage all sailors to come out and join in the fun. If you don't have a boat, you might consider crewing for one of the other members who race, or help assist the race committee in conducting the race. You will find that there is no better or quicker way to im-

prove your sailing skills than through racing.

If you have any questions, call me at #654-3474 or email me at:

mtmilam@bellouth.net .

Come join in the fun! You won't regret it.

Junior Sunfish Program by Butch Leger

CYC co-hosted with Butch Nolan the Summer Junior Sunfish Camp on July 20, 21 & 22, 2012. We had a total of 12 juniors ages 8 to 14 participate in the three day camp, which by all accounts was a total success. Juniors received sailing instructions and then went out on the water to put these into practice. They also learned the proper way to rig and unrig the sunfish, clean and store all of the sunfish's gear, including spars, sail, daggerboard, rudder and mainsheet.

Thanks to Butch Nolan and Emily Nolan for their assistance in teaching this sport to our juniors and to all the adult members and parents who assisted me in putting this camp on. Thanks also to Barry, Vance & Chase Innes for their assistance manning the chase boat. Thanks again to Barry for posting to the CYC website all of the great pictures he took of the camp, the juniors and those who assisted.

Unfortunately, we sustained some damage to a couple of

our sunfish by a storm that came through the Friday night of the camp. We will try our best to get these repairs completed as soon as possible. If anyone knows of any replacement rudders or daggerboards to replace the ones we had damaged, or any other sunfish parts for that matter, that we can acquire by donation or purchase, please call me at 337-278-9554.

House and Grounds by Dan Snow

We are planning to have a work day at the end of October to address some minor maintenance issues and general sprucing up of the clubhouse and facilities. When that date is set, a notice will be sent out to the membership asking for your assistance and hope that you will be able to participate.

Thanks to the membership for your cooperation with the drinks in the refrigerator.

Again, I would like to remind everyone to please lock the ramp behind you after you launch and make sure that when you are the last to leave the clubhouse, to take a minute or two to make sure everything is locked up and that everything has been turned off, except the upstairs air conditioner. (just turn up the thermostat) If you notice any house and ground or maintenance issues that need to be

addressed, please contact me at daniel.snow@lusfiber.net
