Hello Cypremort Yacht Club! Summer is winding down and fall is upon us bringing some cooler temperatures and some favorable winds for sailing. We have several upcoming events, so please come out and enjoy your yacht club!

The Daily Iberian Cup fall racing series is underway with two races planned for October 12 & 26. Please come out and participate in the races. Race your boat, or crew on a fellow member's boat.

Also, on October 5 is the Sunfish Regatta and Luau. In addition to Al Broussard's roasted whole pig and fixings, there will be a fire dancing group, Ardour Ignited, performing at dusk, so make plans to spend the day at the club and enjoy the show while partaking in some really good food.

October Social by John Roddy

This month's social will be our annual Luau to be held on Saturday, October 5, 2013, at 6:00 P.M. Guest chef, Al Broussard will be roasting a whole pig, to be served with baked beans, rice dressing, salad and bread for the cost of \$20.00

We have a work day planned for October 19, 2013, starting at 9:00 A.M. We will be addressing several items such as installing a video monitoring system, repairing some light fixtures and a general clean up of the clubhouse. We need volunteers to come out and help us get these much needed items addressed to keep our club in great shape.

The Fall semi-annual general membership meeting will be held in conjunction with our monthly social on November 9, 2013, at 6:00 P.M. The agenda will include committee reports and election of board members to serve for 2014-2015 calendar years. If you would like to serve as a board member, please send me an email at ajroddy@cypremort.com.

Please, I encourage you all to come out and enjoy your club. We continue to strive to increase our membership, so if you know of anyone that would be interested in joining, please introduce them to the club by bringing them to a race or social.

Remember that all members are welcome to use the facilities for parties or other events provided you comply with club policy regarding private functions posted on our web site located at: www.cypremort.com Also, check us out on facebook at: www.facebook.com/CypremortYachtClub.

Racing News by Mark Milam

The Daily Iberian Cup race #s 3 & 4 (race #s 3 & 4 of Fall Series) will be held on October 12, 2013 and October 26, 2013, respectively. Skipper's meeting will be held at 10:00 a.m. with an 11:00 a.m. start. Length of race will be determined by race committee on race day based on conditions. I would like to encourage you all to experience the fun of racing. Besides, there is no better or quicker way to learn how to sail and perfect your

sailing skills than through racing. We are all here to help anyone interested in learning the sport of sailing through racing.

Unfortunately, we have had fewer boats racing this year due to not only the weather, or lack thereof, but also to the fact that one racer sold his boat and my wife had a tree swing accident and broke her leg and arm, which is taking a lot of my

spare time, preventing me from being able to race. However, the weather is starting to get really good so we should have more boats turning out. So, please come out and enjoy a fun day racing at the point.

Sunfish Regatta by Butch Nolan

This year on October 5, 2013, CYC will be hosting a Sunfish Regatta. This event will coincide with our club's luau. Come on out to participate with club sunfish or simply watch the event from our clubhouse. We will be attempting a total of nine short races. Al Rees has agreed to be the principal

race officer. A lunch will be available for all competitors without charge and registration is also free. The event will be open to outside clubs and we hope to have a good showing from our own club. Anyone interested in sailing, please contact me at #337-278-4352 in order to secure a sunfish for the event. The

event is open to juniors as well as adults and top finishers in each class will receive trophies. Please refer to the notice of race which was sent out previously. We look forward to seeing you there!

House and Grounds by Dan Snow

We have a work day planned for Saturday, October 19, 2013, starting at 9:00 A.M. Any help that you may be able to provide will be greatly appreciated. We need to install a new video monitoring system, repair some outside light fixtures, and generally, to spruce up and clean up around the clubhouse where needed.

Your continued cooperation with the drinks in the refrigerator is appreciated.

Don't forget to remind your guests to pay for the drinks that they remove from the refrigerator. We do this as a convenience to club members and their guests and do it strictly on the honor system and will continue to do so only so long as it is not abused.

Please turn off lights, air conditioners, fans, etc., and lock all doors when you leave the premises.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me to me at daniel.snow@lusfiber.net

DO NOT EXCEED THE 10 MPH SPEED LIMIT.
