From the Commodore by John Roddy

Hello Cypremort Yacht Club! Looks like spring is here, the temperature is warming up and there has been some terrific sailing weather down on the point. Time to get those boat projects wrapped up for the spring race series! Please come out and participate in the races, it is really a laid back program and everyone has a great time. Crews are always needed, check with Mark Milam for info, or just show up on race day and volunteer! It is also a great way to bring friends and acquaintances out to the point to introduce them to sailing and to your fantastic club!

At February's board meeting we discussed some items around

the facility that need some care and Dan will be setting up a work day soon to address these items. Please volunteer by showing up at the work party and lending a hand if you can paint, clean or have carpentry skills. We also have undertaken to increase our membership. If you know of anyone that would be interested in joining, please introduce them to the club by bringing them to a race or social.

We are always looking to improve the club, so if you have any ideas about improvements to the facilities or you have an event that you would like to have at the club, please feel free to

contact me at jroddy@cypremort.com

March Social by Shane Wallace

Spring time!!! LETS GET OUT AND ENJOY THE SOCIAL!! This month's social will be held on Saturday, March 10, 2012, at 6:00 P.M. It will be a "bring your own meat and show everyone how well you can grill" cookout!! The club will provide the grill, baked potatoes with fixings, salad, bread and wine for \$5.00 per person and I en-

courage everyone to RSVP by replying to this email by this Thursday. BUT THIS ISN'T TO STOP THOSE FROM COMING OUT FOR A GREAT TIME WHO DON'T RSVP. The chefs always plan for extra people, so there is always food to be had!!!

I'M ALSO LOOKING FOR MORE COOKS!!

ITS REALLY EASY TO DO THIS! You just double or triple up on your favorite recipes. It's just that easy!

I'M ALSO LOOKING for members who would like to assist in decorating the club house for theme nights. Email me for either at swallace@petrologistics.com

Racing News by Mark Milam

This spring we are going to continue the implementation of ideas we introduced last series in an attempt to promote participation. We will continue to race under a single class format with modified PHRF ratings in order to make all boats more competitive.

The first race of the spring series, will be held on Saturday, March 24, 2012. Skipper's meeting will be held at 10:00 A.M., with an 11:00 A.M. race start. Length of race will be determined by the race committee on race day based on conditions.

Don't forget to turn in your current PHRF certificate.

Please refer to CYC website for the complete race schedule.

Junior Sunfish Program by Butch Leger

The Junior Sunfish Sailing Camp is tentatively scheduled for Friday, July 20, Saturday, July 21, and Sunday, July 22, 2012. Kindly mark your calendars now if you plan on having your junior participate. We are always looking for additional sunfish or sunfish parts to complement our

club's sunfish fleet. If anyone either has a sunfish and/or parts, or knows of a sunfish and/or parts that are available or can be acquired for the club's junior program, I would ask that you contact me by replying to **t h i s e - m a i l**. We are currently making plans to effect repairs and

upgrades to some of our sunfish. Once this is completed, we will be in a position to check out any member who may be interested in using one of the club's sunfish. A notice will be posted in the newsletter when we are prepared to start accepting applications to be checked on.

House and Grounds by Dan Snow

We have tentatively scheduled a work day for 9:00 am on Saturday, March 31, 2012. Please come out and help us paint, clean up and tend to some much needed general maintenance items. Bring any tools, paint brushes, rollers, etc., that you think might be needed to accomplish the tasks at hand.

Thanks to the membership for your cooperation with the drinks in the refrigerator.

If you are the last to leave the clubhouse, please take a minute or two to make sure everything is locked up and that everything has been turned off,

and the thermostat turned up. Every member has a key, so don't think you are inconveniencing anybody by locking up.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at daniel.snow@lusfiber.net

PLEASE REMEMBER TO ABIDE BY THE 10 MPH SPEED LIMIT WHEN DRIVING IN THE MARINA. ALSO, REMEMBER THAT YOU ARE RESPONSIBLE FOR YOUR GUESTS, SO ADVISE THEM OF THE SPEED LIMIT AS WELL.
