Hello Cypremort Yacht Club! Summer is winding down and fall is upon us bringing some cooler temperatures and some favorable winds for sailing. We have several upcoming events, so please come out and enjoy your yacht club!

The Daily Iberian Cup fall racing series is underway with two races planned for October 13 & 27. Please come out and participate in the races. Race your boat, or crew on a fellow member's boat. Also, on October 13 following the race is the social, so make plans to spend the day at the club and enjoy a barbeque meal after the race.

We hosted several members of the Lake Arthur Yacht Club at the luau in June, which they enjoyed very much. Several of their members sailed their boats to the point for the event and they would like to ex-

tend the same offer to our members to participate in their Gumbo Regatta on October 13, 2012. They have a limited number of slips available if anyone would like to sail over for their event. Please send me an RSVP if you would like a slip so I can pass the word on to them.

We have a work day planned for October 20, 2012, starting at 9:00 A.M. We will be addressing several items such as painting the deck and rails, replacing a bulkhead beam, replacing floor tiles near the west doors and a general cleanup of the downstairs storeroom. We need your help in getting these much needed items addressed to keep our club in great shape.

The Fall semi-annual general membership meeting will be held in conjunction with our monthly social

on November 10, 2012, at 6:00 P.M. The agenda will include committee reports and election of board members to serve for 2013-2014 calendar years. If you would like to serve as a board member, please send me an email at jroddy@cypremort.com.

I encourage you all to come out and enjoy your club. We continue to strive to increase our membership, so invite your friends and anyone that might be interested in joining. Introduce them to the club by bringing them to a race or social. All members are welcome to use the facilities for parties or other events provided you comply with club policy regarding private functions posted on our web site located at : www.cypremort.com Also, check us out on facebook at: www.facebook.com/CypremortYachtClub.

October Social by Shane Wallace

This month's social will be held on Saturday, October 13, 2012, at 6:30 P.M., Guest chef, Bill Butts will be serving mesquite grilled chicken with barbeque beans, rice dressing, salad, bread and wine for the cost of \$10.00 per person.

Kindly RSVP by responding to this email no later than Thursday, October 11. If your plans change and you decide you would like to attend but failed to RSVP, don't worry, you can still show up because our chefs cook extra for just such a

possibility. If anyone would be interested in being a guest chef for an upcoming social, please contact me by e-mail at: swallace@petrologistics.com or skipper_1_1999@yahoo.com

Membership News by John Conner

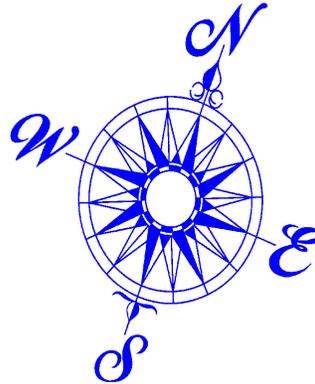

The current membership in good standing is 121. Please welcome John Egle, our latest new member, who was accepted by the board last month.

If anyone has a change in their email address, please send it to me to update so you can receive newsletters and club notices.

CYC remains the best kept secret around. You won't find a better value anywhere and our facilities are the best you can find between Houston and New Orleans. Membership applica-

tions can be downloaded from our club's website www.cypremort.com.

Racing News by Mark Milam

The Daily Iberian Cup race # 2 (race #2 of the fall series) was held on September 22, 2012. The race had to be shortened due to lack of wind. Two boats participated.

The Daily Iberian Cup race #s 3 & 4 (race #s 3 & 4 of Fall Series) will be held on October 13, 2012 and October 27, 2012, respectively. Skipper's meeting will be held at 10:00 a.m. with an 11:00 a.m. start. Length of race will be determined by race committee on race day based on conditions. I would like to encourage you all to experience the fun of

racing. Besides, there is no better or quicker way to learn how to sail and perfect your sailing skills than through racing. We are all here to help anyone interested in learning the sport of sailing through racing.

Unfortunately, we have had fewer boats racing this year due to not only the weather, or lack thereof, but also to the fact that one racer sold his boat and my wife had a tree swing accident and broke her leg and arm, which is taking a lot of my spare time, preventing me from being able to race.

However, the weather is starting to get really good so we should have more boats turning out. So, please come out and enjoy a fun day racing at the point.

Junior Sunfish Program by Butch Leger

We have some repairs to a sunfish which need to be made as a result of storm damage occasioned during our junior sail camp. We also have some refurbishing to do on our trailers in order to make them road ready for

storm evacuation purposes. That should be addressed and completed within the next few weeks. As always, we are still looking for spare parts for our sunfish, and now with the recent damages, we are especially look-

ing for a rudder, rudder assembly, tiller and centerboard. If anyone knows of any parts that can be donated to the club, or purchased at a reasonable price, please let me know by calling me at 337-278-9554.

House and Grounds by Dan Snow

We have a work day planned for Saturday, October 20, 2012, starting at 9:00 A.M. Any help that you may be able to provide will be greatly appreciated. We need to paint the deck and railings, replace a bulkhead beam, replace floor tiles, organize the downstairs store room and generally, to spruce up and clean up around the clubhouse where needed.

Your continued cooperation with the drinks in the refrig-

erator is appreciated.

Don't forget to remind your guests to pay for the drinks that they remove from the refrigerator. We do this as a convenience to club members and their guests and do it strictly on the honor system and will continue to do so only so long as it is not abused.

Please turn off lights, air conditioners, fans, etc., and lock all doors when you leave the

premises.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me to me at daniel.snow@lusfiber.net
