- **CYC Christmas Brunch, 11:00 A.M., December 12, 2015, at the clubhouse.**

From the Commodore by Edward Duhe

The holiday season is upon us! I hope that everyone had a wonderful Thanksgiving and was able to spend time with family and friends. As things slow down at the yacht club, we have one more social in December. I invite everyone to come out for the CYC Christmas Brunch on December 12th. This annual event has always been a lot of fun and is a great opportunity to engage in holiday fun with friends. Please refer to the December Social section below for all the details.

The racing season has wrapped up for 2015, and was a great success. Thank you to Butch Nolan for his dedicated work as Race Chairman. We had more boats racing this season than we have seen in a while and I think everyone who participated had a great time.

Last month at the General Membership meeting four

members were elected to the board for the coming year. Welcome back to Butch Leger, John Conner, Abby Lester and Michael Lamperez. Officer elections will be held by the board in December and the results will be shared with the membership in the next newsletter. Committee Chairmen will also be determined at that time.

As the cold weather approaches, I encourage everyone to ensure that you take the proper precautions to winterize your boat. Just a little planning up front can save you costly repairs in the end.

I would like to remind everyone that all members have use of the facilities for parties and other events as long as you abide by the club policies for private events as documented on our web site.

I would like to wish you and your families a very Merry Christmas and Happy New Year!

House and Grounds by Abby Lester

I would like to thank all who helped this past year with maintenance issues at the club. We were very fortunate to be able to complete our painting project and effect repairs to our sewer system and electrical pedestals. However, we still have some major repair work to be completed on the west bulkhead. This work was commenced this past spring and will continue intermittently until completion, depending on weather and the availability of our contractor.

Your support of our maintenance assessment has helped to make these repairs a

reality, for which we are thankful and hope that you all will continue to be supportive of our endeavors in the future.

I would again like to thank the membership for their cooperation with the drinks in the refrigerator.

You can address any house and ground or maintenance issues to me at: wazzarunner@yahoo.com

PLEASE REMEMBER TO ABIDE BY THE 10 MPH SPEED LIMIT WHEN DRIVING IN THE MARINA. ALSO, REMEMBER THAT YOU ARE

RESPONSIBLE FOR YOUR GUESTS, SO ADVISE THEM OF THE SPEED LIMIT AS WELL.
