From the Commodore by Shane Wallace

Hello Cypremort Yacht Club! Spring is in the air and we are gearing up for our big spring work day to get the club ready for another great sailing season. At a previous board meeting, we discussed in detail what needs to be addressed as far as projects for our facilities. Dan will be setting up a work day soon, so I encourage everyone that can paint, clean or scrape to please show up when asked. You would be very surprised as to what a fresh coat of paint will do!!!

Also, we are quickly closing in on our spring series of races. Please, LETS GET OUT THERE AND HAVE A GREAT TIME. It really is a laid back race series and

everyone has a great time doing so.

Now with that behind us, PLEASE, I encourage all of you to get out and enjoy the club and bring as many friends as you want. Remember you are more than welcome to use the facilities for parties and gatherings so long as you comply with the rules for their use.

Please feel free to email me with comments or suggestions, as well as any ideas that would help benefit the club, its facilities and/or membership. swallace@petrologistics.com or skipper_1_1999@yahoo.com

March Social by Shane Wallace

Spring time!!! LETS GET OUT AND ENJOY THIS MONTH'S SOCIAL, which will be held on Saturday, March 12, 2011, at 6:00 P.M. Bring your own meat and show everyone how well you can grill!!! The club will provide the grill, baked potatoes with fixings, salad, bread and wine for \$5.00 per person. I encourage everyone to call the hotline

337-261-0136 to RSVP by Thursday, March 10, 2011. If you decide at the last minute that you would like to attend and did not RSVP, don't let that stop you from coming out for a great time. The chefs always plan for extra people, so there is always food to be had!!!

I'M ALSO LOOKING FOR MORE COOKS!!

ITS REALLY EASY TO DO THIS! You just double or triple up on your favorite recipes. It's just that easy!

I'M ALSO LOOKING for members who would like to assist in decorating the club house for theme nights. Email me for either swallace@petrologistics.com

Membership News by John Conner

Please join me in welcoming our newest CYC members, Henry Lynn Breaux, who was given final approval at the board's last meeting. We currently have one other membership application which was approved for 30 day posting and should be finally approved by the board at its next meeting.

Club membership in good standing is at 111.

Membership cards were mailed out with the last dues statement. If for some reason you did not receive your membership card, please contact me at john.conner@lusfiber.net

I encourage anyone with a change of address or e-mail address to please contact me promptly with that change so we can keep you informed of events at

the club. Once again, you can address any questions you may have about your membership, membership card, access key, etc., by contacting me at the above email address.

Racing News by Mark Milam

CYC will present a sailing/racing seminar for any interested members an hour before the first race on Saturday, March 26, 2011, at the Clubhouse, starting at 9:00 A.M. The seminar will cover such topics as Sailing Instructions, starting flags and procedures, room at the mark, right of way rules including port versus starboard tacks, crossing situations, overtaking, clear astern, etc.

This spring we are going to continue the implementation of ideas we introduced last series in an attempt to promote participa-

tion. We will continue to race under a single class format with modified PHRF ratings in order to make all boats more competitive.

The first race of the spring series, will be held on Saturday, March 26, 2011. Skipper's meeting will be held at 10:00 A.M., with an 11:00 A.M. race start. Length of race will be determined by the race committee on race day based on conditions. Don't forget to turn in your current PHRF certificate.

Please refer to CYC website for the complete race schedule.

Junior Sunfish Program by Butch Leger

The Junior Sunfish Sailing Camp is scheduled for Friday, July 22, Saturday, July 23, and Sunday, July 24, 2011. Kindly mark your calendars now if you plan on having your junior participate. We are always looking for additional sunfish or sunfish parts to complement our club's sunfish fleet. If

anyone either has a sunfish and/or parts, or knows of a sunfish and/or parts that are available or can be acquired for the club's junior program, I would ask that you contact me by replying to **t h i s e - m a i l**. We are currently making plans to effect repairs and upgrades to some of our

sunfish. Once this is completed, we will be in a position to check out any member who may be interested in using one of the club's sunfish. A notice will be posted in the newsletter when we are prepared to start accepting applications to be checked on.

House and Grounds by Dan Snow

Spring is quickly approaching and as soon as the weather permits, we are going to spread the dirt along the west bulkhead and then schedule a work party to get some of the other projects at the clubhouse completed. When the work part is scheduled, a notice will be sent to all members by this newsletter or email and we would sincerely ask for your help and assistance.

Any members who use chairs along the bulkhead to fish, we would ask that you please put them back in the clubhouse and lock the doors when you leave.

Thanks to the membership for your cooperation with the drinks in the refrigerator.

If you are the last to leave the clubhouse, please take a minute or two to make sure everything is locked up and that everything has been turned off, and the thermostat turned up. Every member has a key, so don't think you are inconveniencing anybody by locking up.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at daniel.snow@lusfiber.net

PLEASE REMEMBER TO ABIDE BY THE 10 MPH SPEED LIMIT WHEN DRIVING IN THE MARINA. ALSO, REMEMBER THAT YOU ARE RESPONSIBLE FOR YOUR GUESTS, SO ADVISE THEM OF THE SPEED LIMIT AS WELL.
