From the Commodore by Butch Leger

I would like to extend my best wishes for a Happy Mother's Day to all CYC mothers!! I hope that you all have a great day!

Saturday, May 10, 2014, will be a fun packed day full of activities. First, we have the final race of the Spring series, with the skipper's meeting scheduled for 10:00 A.M. and race start at 11:00 A.M. Come out and participate in the fun. Race your boat, or crew on one of the other boats entered in the race. There is no better way to enjoy this beautiful spring weather we are having.

At 5:30 P.M. we will convene CYC's Semi-Annual General Membership Meeting, the purpose of which is to bring the membership up to date on the business affairs of the club. Committee reports will be presented and we will transact such other business as may come before

the membership.

Following the meeting, we will have our monthly social to include music by Dwanna and a fried catfish dinner compliments of Michael Lamperez. Please RSVP as indicated below so Michael can prepare accordingly.

Thanks to Butch & Carice Nolan for hosting last month's social which was a terrific success. They served roughly 40 members and guests for the evening. They wanted to thank all who attended and especially Steve LaFleur, founding member of the band "Mamou", for putting together the band which entertained for the social. Musicians for the evening included Warren Snyder on bass, Chris Boudreaux on drums, Mark de Basile on accordion, Steve LaFleur on guitar, Mike Debroc on guitar, along with help

from Joe Gary on drums. All who attended had a grand time.

We are happy to report that the rebuild/repairs to the launch ramp are complete. Richard Legnon was able to complete the work earlier than projected and we would like to thank him for expediting our project. We apologize to anyone who was inconvenienced by having to close the ramp to effect these repairs, but we think you all will agree that the inconvenience will be worth having a full functioning and safe launch ramp.

The club's ship's store is up and running thanks to Mike Landry. Stop by and purchase a CYC cap, shirt or koozie. If we don't have what you need on hand, let Mike know and he will be happy to order one for you.

Hope to see you on the 10th!

Racing News by Butch Nolan

The 3rd race of the spring series was held on Saturday, April 12, 2014, under ideal conditions. We had a total of 8 boats in the race. Results: 1st-Butch Nolan; 2nd-John Conner; 3rd-Butch Leger; 4th-Bob Borrison; 5th-Mike Landry; 6th-Joe Gary; 7th-Gus Lafleur; 8th-Al Lilly.

The 4th race of the spring series was held on Saturday, April 26, 2014, with gusty winds. Results: 1st-Butch Nolan; 2nd-John Conner and 3rd-Gus Lafleur.

The 5th and final race of the spring series will be held on Saturday, May 10, 2014. Skipper's meeting will be

held at 10:00 A.M. with an 11:00 A.M. race start. Course will be determined at the skipper's meeting.

In scoring boats for the series, if you miss a race, your finish position for that race is the number of boats registered for the whole series. If you at least make the start, then your finish position for that race is only the number of boats for that particular race, plus one. So, if 3 boats race and you only start, then you would get a 4th place finish for that race, instead of the number of boats signed up for the series. This should give you some

incentive to try to show up for all of the races.

Please plan on attending all of the functions planned for Saturday, May 10, 2014.

If you need further information, please call me #337-278-4352.
