Happy Mother's Day to all! Hope everyone has a great day!

Come and join us on Saturday, May 11, 2019, for a fun packed day of activities at the point. First, we have a Spring Series race, with the skipper's meeting scheduled for 10:00 A.M. and race start at 11:00 A.M. Come out and participate in the fun. Race your boat, or crew on one of the other boats entered in the race. There is no better way to enjoy this beautiful spring weather we are having.

At 5:30 P.M. we will convene CYC's Semi-Annual General Membership Meeting, the purpose of which is to bring the membership up to date on the business affairs of the club. Officer and committee reports will be presented detailing the current status of the club. Additionally, we will transact such other business as may come before the membership. We

welcome and encourage input from the membership and hope you will be able to attend.

Following the meeting, we will have our monthly social and crawfish boil thanks to the efforts of Michael Lamperez. Be sure to RSVP on the Evite which has already been sent out to the membership. You definitely don't want to miss out on this one because it is always a big hit.

I would like to remind the membership that our July 12-14 Junior Sunfish Sailing Camp is quickly approaching. This is our annual day camp where we teach juniors ages 9 to 16 how to rig, sail and race Sunfish sailboats. Camp is free to members' children and grandchildren. Others will be charged a nominal fee to attend. We will need assistance as usual with washing boats prior to the start of the

program, chase boats, food preparation and serving, on-water instruction, launching and retrieving Sunfish, and cleaning and storing the boats, sails and gear at the end. Anyone interested in the camp or helping on any of the dates listed, please contact Bill Whitehead #337-541-4238.

CYC is always looking for new members and there is really no better way to introduce friends and family to CYC and our fine facilities than to invite them to our socials and boating activities. Also, remember that our club is available for parties on a non-exclusive basis. If you are interested, just contact one of the CYC Board Members.

Hope to see you at the club soon!

May Social by Johnny Beyt and Lawrence Svendsen

This month's social scheduled for Saturday, May 11, 2019, at 6:30 P.M., will be a Crawfish Boil including corn, potatoes, mushrooms, sausage, dessert and ice cold keg beer. Cost will be

\$15.00 per person. In order to make sure that we have enough crawfish to accommodate everyone attending, please provide us with a headcount by responding to the Evite previ-

ously sent out. Call or text Mike Lamperez at #337-519-8827 with any questions.

Please come out and join us for a great day at the Point!!

Junior Sunfish Program by Bill whitehead

Summer is almost here and kids are going to be looking for something to do. So sign them up for the 2019 Junior Sunfish Sailing Camp at CYC! We have fun and the kids get out on the water and learn to sail. The camp is Friday, July 12 through Sunday, July 14. Recommended age range is 9 to 16 and we expect a group of 20 to 22 juniors. The camp is free for CYC member's children and grandchildren and we normally have room for

non-member friends for a nominal charge of \$60.00 each. Camp starts at 9:00 A.M. and runs until about 3:30 P.M. on Friday and Saturday. On Sunday we conclude about 2:00 P.M. following lunch and an awards ceremony. Sailing is weather and wind dependent but we make every effort to provide sailing time on all three days. Contact Bill Whitehead for details on the camp, boats and the skills they will learn, as well as to

reserve a spot for your junior. We also always need a number of volunteers to assist with the camp and if you are available that weekend, or any part of it, we could use your assistance. Contact info: #337-981-2999 (LL) or #337-541-4238 (cell/text) williamrwhitehead@gmail.com

House and Grounds by Abby Lester

Our propane tank expired and has been replaced with a new 10 gallon tank. Please remember to close the valve after use to help conserve propane. Mike Lamperez has purchased a new gas grill which will be up and available ASAP. The clubhouse is ready for summer cook outs and relaxing on the deck.

Repairs to wet slips will begin shortly. The boat launch will remain open during this construction period. Please lock the ramp after use. Some juggling of wet slip boats can be expected. We hope to partner with the marina during this project.

Several options for replacement of stairs and railings are currently under consideration. Although still sound, both stairs and railings are nearing their limits of usefulness. Unfortunately, we are experiencing vandalism and trespassing at CYC. Please be aware of strangers on the premises! If you notice an unfamiliar face, take it as an opportunity to make a new acquaintance. Introduce yourself, inquire if that person is a member, and if not, politely ask them to leave.

Thanks to all for your continuing cooperation with the drinks in the refrigerator.

Please do not leave food items in the refrigerator. Our refrigerator is only for temporary storing of feed and drink items. When you are finished cooking, etc., please take your items home with you.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at:
